

### General License of 3d Models

All models purchased from [Torusink.com](https://torusink.com) are subject to the specific rights that are contained in this license.

Can be used for:

- to present your own tattoo designs, and to create your own portfolio in the case of human body models
- selling your own design is possible, but without the 3d model created by [torusink.com](https://torusink.com)
- can be used to create a video and resell the video as NFT

it is forbidden to:

- Copying the model itself. And reselling it for your own benefit:
- Remaking, dividing into parts of a 3d pattern ... and reselling
  - adding a 3d model to your products
- distributing the model without the consent of the author
